

Executive Council Minutes September 28, 1998

Attendance: Stephanie Cosby, Chad Lewis, Carleton Ruminer, Brad Sweatt, and Matt Bastin

Agenda:

Stephanie discussed the issue of tailgating for Saturday's football game against New Haven. On Friday we might need to go and pick up the pig again in Hopkinsville, as Brad and Matt did this past week. Also discussed the need for a cooker since the one that was donated needs to be returned. Because of the 10K Classic this weekend, all vehicles must be in South Lawn by 6:00am, and Jeff Younglove has given us permission to be out there while the race is going on.

Stephanie announced that the members of the BSBP will be writing a letter to Gov. Paul Patton to ask for funding to place sprinklers in all the dorms. It was also brought to attention that Campus Improvements has sponsored a resolution to place sprinklers in the dorms, and that the legislation will be up for first reading this week. The president next mentioned that President Ransdell will be coming to speak to congress next month in regards to student fees. Stephanie said that currently two proposals are on the table. One is to create a general percentage increase in student fees every year, instead of a one lump sum ever so often. The second is to raise the student athletic fee, which has not been raised from fifteen dollars for quite some time.

Chad said that he is still looking into our scholarships from the university and getting those to us as soon as possible.

Carleton announced that thirty-six organizations filled out Organizational Aid forms. He is going to meet with the committee following tomorrow's congress meeting to begin to set up appointment times with the respective clubs.

Brad said that tomorrow he will pass out a sign up sheets for people to work at the pig roast, to work the tailgating tent, and the homecoming elections on Oct. 20th. Brad said that he thought it would be a good idea to give Nathan Farmer an SGA T-shirt and to have him come to a congress meeting so that we can show our appreciation for all of his hard work that he has done for us, all agreed. Finally he reminded everyone that the Congress pictures will be taken after the meeting tomorrow on the front steps of DUC.

Matt said that he had all members called today to remind them of to wear their SGA T-shirt tomorrow, and of the University. Blvd. meeting tonight at McNeil Elementary school. Matt also asked everyone how they thought things were going now that we are five weeks into the semester.

Congress member Adam Howard and the Phi Beta Lambda Chapter held a parliamentary procedure meeting with the Executive Council following the meeting.

Meeting was adjourned at 6:15pm.

Respectfully Submitted,

Matthew D. Bastin
VP of Administration, 1998-1999
